LOUD, Noisy Room Problem SOLVED with Echo Eliminator Acoustical Panels at Daycare Center!

Hi Ted,

The installation went well and a huge improvement in the room. My son told me the kids don't call it the "loud room" anymore. I have attached some pics for you. I did the installation myself, so it wasn't the best, but good enough in this case.

Thanks again for your help!

Best Regards,

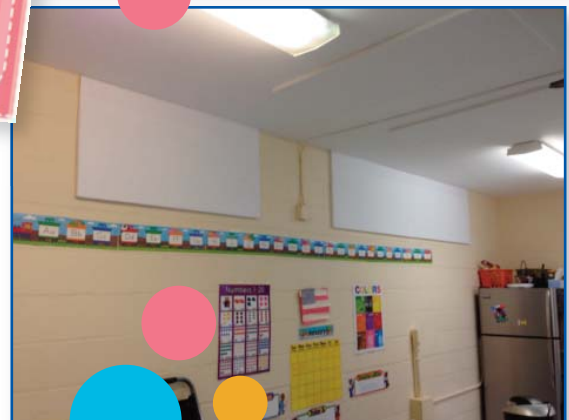

Matt N
