

# The Insul-Knife

## Makes Quick Clean Cuts for Echo Eliminator and UltraTouch

The Insul-Knife is a no-gimmick answer to getting a quick, clean cut for UltraTouch insulation and Echo Eliminator Cotton Panels. It looks like a saw but cuts more like a razor. The cut is clean and precise. The blade is re-sharpened with ease. A molded sheath safely shields the blade when it is not in use.

**Includes:** *Insul-Knife and Sharpener.*
