## Acoustical Metal Ceiling Tiles

### Acoustical Decorative Metal Ceiling Tiles with Expanded Metal

#### Acoustical Metal Ceiling Tiles

METALINE expanded metal ceiling panels produce a chic, high-tech, modish interior look at an affordable cost. From car dealerships to retail stores, creating the proper ambiance in a space is critical. METALINE offers solutions that bring a modern, eye-catching pattern to a space while still providing high-performance acoustics. Choose from a variety of backing colors, metal colors, and metal sizes in order to customize these ceiling solutions to your specific needs. These panels work with a T-Bar grid and are lay-in in order to provide 100% accessibility and simple installation.

#### FEATURES & BENEFITS
