Hi Sarah, I waited a bit as I wanted to see if Cyn would change her mind. She is concerned about the V as the numbers have gone up. She wasn't going to go to Zoey's Party because of same thing. I thought if the numbers went down she would change her mind, but it went up.

Lyle has to work 12 hours the next day, and can't get off at this late date.

I hope this is the last year that we deal with this V.

I did look into a nice restaruant where I wanted to bring everbody before I realize it wouldn't work this year yet.

Thanks so much for doing the dinner, it's lots of work. I do hope we will have lots of future times together with no one being scared of a virus.

Love Carol
